

Baltimore Oct 17/1848
To His excellency Phillip Francis Thomas
Governor of Maryland.

Dear

Your envelope is the Petition
of sundry Citizens of Baltimore City who
are generally near Neighbors of Mrs Ann
Matthews: and they pretty well calculated
to form an opinion of the Character of the
Said Mrs Matthews: whose Character I
have no doubt is of the worst Kind, as she
is a perfect pest to the Community at
Large. Hence I will not trouble your
excellency further upon the Subject, as the
petition speaks for itself and your envelope
is amply calculated to see through the
matter. I still remain your friend & shall
Sincerely
